

Blurb:

We are looking for tutors to help write science logical reasoning questions

Main body:

Our Mission:

GradReady is a technology company that builds Adaptive Learning software to help students learn more efficiently and effectively. We are passionate about providing quality teaching to ensure that our prospective medical students are the best equipped.

We were established in 2010 by medical students at the University of Melbourne, and now operate in VIC, NSW, WA, QLD, SA and ACT.

Job Description:

The role of Logical Reasoning Question Writer primarily involves the practice of creative and analytical thinking through writing original logical reasoning questions.

Logical Reasoning Question Writers will also be involved in additional development tasks including contribution to the creation of other materials such as textbook, video, and other updates (subject to suitability and availability). Guidance/training will be provided.

Remuneration:

1. \$30 per hour + superannuation for all content development tasks.

Expected Time Commitment:

Anywhere between 5-10 hours per week for content development jobs.

Application Procedure:

Please submit your application through:

http://gradready.com.au/job_application_forms/available_positions

Include the following documents in your application:

1. Cover Letter

- Address it to Human Resources and explain why you would be suitable for this role.

2. Current CV

3. Academic transcript and/or other qualifications (if applicable)

Please save your documents in .pdf and name your attachments in the following format.

- E.g. 3 James Jones - Cover Letter

- Note to include the title number of this application form in your attachments.
